SUMMARY

Analytical data analyst skilled in extracting actionable insights from complex datasets using Tableau, SQL, Python, and Excel. Demonstrated expertise in designing and implementing interactive dashboards, optimizing data pipelines, and automating reporting processes through hands-on project experience. Recognized for a meticulous approach to data validation and a commitment to delivering accurate, business-driven solutions. Adaptable collaborator with a proven ability to communicate findings effectively and drive data-informed decision-making in dynamic environments

EDUCATION

Indian Institute of Technology Madras   Chennai, Tamil Nadu
Bachelor of Science in Data Science and Applications   *2024 – Present*
- CGPA: 9.5/10 (as of Apr 2025)

Sri Chaitanya Junior College   Andhra Pradesh, India
Intermediate (M.P.C), BIEAP   *2022 – 2024*
- Percentage: 91%

Z P High School   Andhra Pradesh, India
Secondary School Certificate (SSC), Board of Secondary Education   *2021 – 2022*
- Percentage: 84%

PROJECTS

Pizza Sales Analysis | *SQL, Excel, PowerPoint*   GitHub Repository
- Analyzed pizza sales data from Kaggle to extract actionable insights for a simulated pizza shop scenario.
- Addressed business questions on sales trends, top-performing items, and customer behavior to guide strategy.
- Presented recommendations in a stakeholder-style PowerPoint, simulating real business communication.
- Optimized SQL queries and data models to enable data-driven decision-making.

TECHNICAL SKILLS

Languages: Java, Python, SQL (Postgres), JavaScript, HTML/CSS
Frameworks: WordPress, FastAPI
Developer Tools: Git, Google Cloud Platform, VS Code, Visual Studio, PyCharm
Libraries: pandas, NumPy, Matplotlib, Seaborn

CO-CURRICULAR ACTIVITIES

Educational Content Creator   Sep 2024 – Present
LinkedIn   *Online*
- Produced and shared educational content on data analytics, Python, SQL, and Tableau, engaging a growing community of data enthusiasts.
- Explained complex topics using practical examples and visualizations, supporting peer learning and knowledge sharing.
- Facilitated interactive discussions and addressed queries, fostering collaborative online learning.

Member, The AnalytIQ's Club   Sep 2024 – Present
IIT Madras   *Chennai, Tamil Nadu*
- Collaborated with peers on analytics projects, applying data science techniques to real-world scenarios.
- Participated in workshops and competitions, enhancing skills in machine learning and data visualization.
- Contributed to organizing knowledge-sharing sessions and technical events for the student community.
